- Proof of ownership is **required** to remove structure.
- **IF** anyone other than the property owners apply for a permit, a notarized letter of permission is **required**.
- Be aware dump tickets are **required** before a final site inspection, release of the property, and completion/closing of the permit.
- A copy of the Asbestos Report (if required) must be attached.

I hereby certify that all information in this application is correct and all work will comply with the State Building Code and all other applicable State and local laws and ordinances and regulations. The Inspection Department will be notified of any changes in the approved plans and specifications for the project permitted herein.

Permits expire six (6) months after the issue date if no inspections are requested. Permits also expire when work has started but discontinued for 12 months from the last inspection date.

Owner/Demolition Contractor Signature _____ Date _____

Please note there may be additional state and federal departments that require notification/permits before and/or after demolition.
